

Claims

1. A personal care composition comprising 1% by weight polymeric sulfur S_n , wherein said composition further comprises ~~a~~ L-cysteine.
2. A personal care composition according to claim 1, wherein said polymeric sulfur S_n contains less than 1% by weight of non-cosmetic oil.
3. A personal care composition according to claim 1, wherein said polymeric sulfur contains less than 1% by weight of kerosene and benzene.
4. A personal care composition according to claim 1, wherein said polymeric sulfur S_n contains less than 1% by weight of any oil that is not selected from the group consisting of soy oil, mineral oil USP, canola oil, jojoba oil, coconut oil, palm oil, and C12-C15 alkyl benzoate.
5. A personal care composition according to any preceding claim wherein n is at least 9.
6. A personal care composition according to any preceding claim wherein n is at least 100.
7. A personal care composition according to any preceding claim wherein said polymeric sulfur S_n is linear in conformation.
- ~~8. A personal care compositions according to any of claims 5-7 wherein said Cysteine is selected from the group consisting of: acetylCysteine (INN); N-Acetyl L-Cysteine; Carboxymethyl Cysteine; L-Cysteine; N-Acetyl 2-Hydroxybenzoate L-Cysteine; N-acetyl-S-[(2E,6E)-3,7,11-trimethyl-2,6,10-dodecatrienyl]-L-Cysteine; N-(Aminoiminomethyl)-Cysteine; DL-L-Cysteine; ethyl ester hydrochloride(1:1)Cysteine (INN); Cysteine/Litchi Chinensis Fruit Extract; L-Cysteine Monohydrochloride; L-Cysteine S-(Carboxymethyl)-DNA; Cysteine Salt; N-Guanyl L-Cysteine; Oxoacetamide Carbocysteine; and Procysteine.~~
98. A personal care composition according to any preceding claim wherein the pH of said composition is less than 8.

~~109.~~ A personal care composition according to any preceding claim wherein said composition further comprises resorcinol.

~~110.~~ A personal care composition according to any preceding claim wherein said composition further comprises resorcinol monoacetate.

~~111.~~ A personal care composition according to any preceding claim wherein said composition further comprises soluble sulfur.

~~112.~~ A personal care composition according to any preceding claim wherein said composition further comprises an active ingredient selected from the group consisting of salicylic acid and benzoyl peroxide.

~~113.~~ A composition according to any one of claims 1-~~13~~-12 for use in a method of treating topical skin conditions comprising application to the skin of said composition.

~~15.~~ A composition for use according to claim 14, wherein said skin condition is *acne vulgaris*.

~~16.~~ A composition for use according to claim 14 wherein said skin condition is inflammation.

~~17.~~ A composition for use according to claim 14 wherein said skin condition is infection by a microorganism.

~~18.~~ A composition for use according to claim 14 wherein said skin condition is from the group of skin diseases including Seborrheic dermatitis, dandruff, Tinea versicolor, superficial dermatophytes, Scabies, Rosacea, Perioral dermatitis, Demodectic eruptions, Psoriasis, eczema and atopic dermatitis.
